leading people to walk in God's ways

Graceway Church

2025 READING PLAN

At Graceway Church, we believe that true transformation begins when God's people engage deeply with His Word. Our Bible Reading Plan is designed to help individuals and families grow as disciples who live according to Scripture—aligning with our mission “to see people come to salvation through Christ, follow Him in baptism, and grow as disciples who live according to His Word.”

To help guide your reading, we encourage you to use the H.E.A.R. Journal Method. This method helps us slow down, think deeply, and not just read the Bible, but hear from God personally.

- **H – Highlight:** Choose a verse or passage that stands out to you as you read. Write it down to focus your attention on what God is showing you.
- **E – Explain:** In your own words, describe what the passage means in its original context. Who wrote it? Who was it written to? What truth is being revealed?
- **A – Apply:** Reflect on how the truth of this passage applies to your life today. What changes do you need to make? What obedience is God calling you to?
- **R – Respond:** Close with a personal response to God—whether through prayer, repentance, gratitude, or commitment to action.

Our vision is to be a church marked by transformed lives where people of all ages walk in the ways of Jesus, families are strengthened in faith, and our community is impacted by the gospel. As we read together, our prayer is that the Word of God would take root in our hearts, shape our homes, and empower us to carry the gospel into the world.
